CDC No. 98FED22404-

This modification is to increase the interagency agreement one hundred sixty thousand dollars (\$160,000) for fiscal year 2002 to support the conduct of a followback telephone interview survey of workers treated for work-related assaults as described below in Section IIIB. Scope of Work Interagency Agreement 98FED22404-6.

III. Scope of Work

B. Under the terms of this agreement, CPSC agrees to implement for joint benefit of CPSC and NIOSH, structured telephone interviews of injured parties or their representatives as specified below or as mutually agreed upon in future amendments or revisions of this agreement. NIOSH will review potential cases to identify those cases that should be forwarded to the contractor for interviews. No more than 9 investigations will be conducted under this agreement until NIOSH receives OMB clearance for the survey.

In fulfillment of this agreement CPSC shall, for each agreed upon interview study, contract for qualified telephone interviews, facilitate the NIOSH-conducted training of telephone interviewers (if needed), assist in the identification of appropriate injury cases, submit case information to the interview contractor, monitor interview study progress, review interview quality, and provide NIOSH with paper copies of each completed interview. On a quarterly basis CPSC will submit to NIOSH a status update for each case submitted for interview. At the end of each interview study CPSC will submit to NIOSH a final disposition for each case submitted for interview.
